

## COMMUNITY USE OF SCHOOL FACILITIES

As a service to the community, and in accordance with State law, the Board of Education may allow the use of public school facilities by individuals, groups and associations for educational, recreational, social, civic, philanthropic, and other similar purposes as the Board deems are for the best interests of the community.

Permission to use school facilities will be granted to community organizations and residents by the Superintendent, or his designee, in keeping with the policies, rules and regulations adopted by the Board. However, such use will not interfere in any way with the regular programs and activities of the school district.

A nominal rental fee to cover operational costs (heat, [air conditioning], lights, etc) and custodial service will be charged in accordance with a schedule recommended by the Superintendent and approved by the Board. The fee will not be charged to any Fort Zumwalt School District related organization [unless additional costs are incurred by the district]. The Board may consider waiving the fee for special public programs.

The use of playgrounds and buildings during summer months for recreational purposes shall be governed by the Superintendent according to the Board policies, rules and regulations.

The Fort Zumwalt School District requires all groups/organizations to provide a certificate of insurance naming the district as “additional insured” with a minimum of one million in liability coverage. An Agreement to Hold Harmless that has been completed and notarized will be accepted for groups of 20 participants or less. Proof of insurance must be provided prior to using the facilities.
